

Old Optical Comm Reuse Plan

Headphone Audio - Aug 2022

TPA6111A2D Headphone Amp

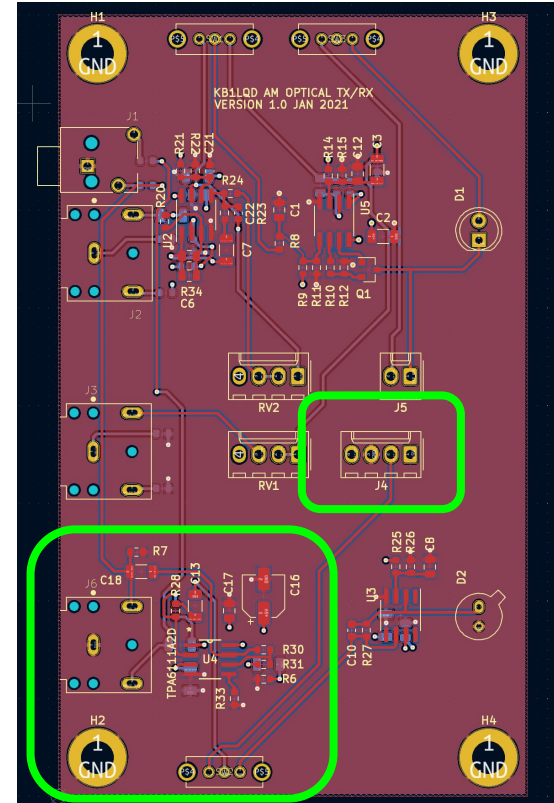

Where to tap in

- Use connector J4 to get TIA signal in
- Jump the SW prior to IN1
 - Short IN1 to IN2 for dual headphone?
- Use J6

- J4 can input
 - Signal
 - +5V
 - GND
-

LED Driver?

- Input into J3
- Headphone input buffers signal
 - AC couple
 - Jump without buffering...?
- Jump the LED Driver switch
- Use onboard LED for now
 - Jump it with wire
